**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Until recently, we, as consumers and owners of a small glass business, have been stuck with only two providers of broadband internet services, AT&T and COMCAST. Prices were high and the service inadequate with DSL and Coaxial Cable.

Then, SONIC moved into the area with FIBER broadband internet direct to our address. Pricing, speed of connection, and service all exceed our previous offerings.

Competition is essential to maintaining good pricing and service. Let's keep the playing field for providers open!
